- React.js
- Node.js
- Git/Github
- MongoDB
- HTML/CSS
- JavaScript
- Flutter
- Kotlin
- SQL
- C/C++

## Languages

- Hindi
- English

## Profile

As a third-year college student, I am actively seeking an internship opportunity in the field of web development. I possess a strong knowledge of numerous tech stacks, including full stack web development, native Android development, and cross-platform app development. I am confident in my ability to adapt to new technologies and frameworks quickly and efficiently. I am eager to learn, grow, and gain practical experience through an internship, and I look forward to the opportunity to demonstrate my skills and dedication.

## Projects

### Blogging Platform

- Developed using MERN Stack
- Allow users to register, login, and access features such as creating, editing, or deleting their blog posts.
- Github repo [↗](#)
